## THE MCLE' A HIGHASS F

Standing out patly with such  
productions as "The Play," and  
"Dante's Inferno," a mam-  
moth five-reel play, brimming  
with dramatic life, can be said  
to have met with popular  
approval, when for the first  
time before two weeks of specta-  
tors at Bijou this night.

General Manager and M.  
H. Newman are congratulated  
upon bringing to the public  
this most remarkable and  
dramatic production.

The story of "The Play" is  
the story of a sweet and path-  
etic and holds the interest of  
the spectator from the first  
picture to the end of the  
last scene. The story is so  
clear that no explanation  
is needed, but the story is  
by way of introduction to  
the audience a general idea  
of what they are to enjoy.

The music specially prepared  
for this production makes the  
picture stand out more unique  
and unparalleled in world of amuse-  
ments.

There is swift rapid action in-  
terpersed with exquisite  
and noble gallery scenes, all of which  
were secured by the camera  
up to nature's nature alone. Not  
a single scene has been taken in a  
studio.

The distinctive features of this  
production are, one of them is  
the music, another the air  
of realism with the play has been  
invested. It is as if the buildings  
and figures of one age have been  
re-created by touch of a master  
hand. Not a scene of the  
thousand scenes episodes in the  
play have been in a studio, but  
have been set with an eye to  
beauty.

### ALL YOU DO IS A CARET TONIGHT

No Sick Head, Billous Stomach,  
Conted To or Constipated  
Bowly morning.

Turn the lights out—the head-  
ache, the nervousness, the indiges-  
tion, the sick stomach and fowl  
gases—turn out tonight and  
keep them out with Cascarets.

Millions of men and women take a  
Cascaret now then and never  
know the cause by a lazy  
liver, clogged bowels or an upset  
stomach.

Don't put another day of dis-  
tress. Let Cascarets cleanse and  
regulate your stomach; remove the sour,  
undigested, fermenting food, and  
take the excess bile from the ex-  
cess bile from the liver and carry  
out of the system all the constipated  
waste matter which is the cause of  
the trouble. Then you will feel  
great.

A Cascaret tonight will surely  
straighten you by morning. They  
work while you sleep. A 10-cent box  
from any drug store means a clear  
head, sweet stomach and clean,  
healthy living and bowel action for  
months. Children love to take Cas-  
carets because they taste good—  
never griped again.—advertisement.

Mrs. Clara Mackay, hearing

has been made to her affairs.

### Safeguard To Women's Health

Thousands of  
women are  
using various  
forms of anti-  
septics as pre-  
ventives of dis-  
ease and safe-  
guards to good  
health. Many such  
preparation in use are actually  
worthless and positively dangerous.

Truett's Pessette Powder is abso-  
lutely safe use, and has been rec-  
ommended by physicians for more  
than twenty years. Unequaled as a  
preventive of contagious disease, un-  
surpassed as a douche and highly ef-  
fective in avoiding contagion, heal-  
ing diseased tissues, ulcers and deli-  
cate membrane passages. A 25-cent  
package will make two gallons stand-  
ard antiseptic solution. Sold by drug-  
gists everywhere. Send for booklet
